

About Us

Hirundo Wildlife Refuge is 2,460 acres of conserved woodlands and wetlands just West of Old Town, Maine dedicated to preserving nature while providing educational, and recreational opportunities to the public.

Hirundo offers environmental educational programs to schools and the public throughout the year and is dedicated to cultivating a love of nature in locals and fostering future generations of environmental stewards.

Our Mission

To enjoy, understand, and protect Hirundo's natural and cultural environment for the mutual well-being of our human and wildlife communities.

In Short: Enjoy, Learn, Protect.

Availability
